RESEARCH EXPERIENCE

Research Assistant Fall 2026

Continuing work with Caroline Tolbert using administrative voter data (Catalist) to examine voter turnout and political behavior. Collaborating on a project using county-level same-sex couple Census data to examine differences associated with LGBT population density.

Research Assistant Spring 2026

Worked with Caroline Tolbert using administrative voter data (Catalist) to assist with co-authored projects with Robert Boatright and Todd Donovan examining voter turnout in primary and general elections. Assisted with research conducted in partnership with Unite America, a nonprofit, nonpartisan organization focused on election reform.

Research Assistant Summer 2023

Worked with Tracy Osborn to collect information on women candidate recruitment groups and develop a survey instrument for candidate recruitment organizations.

Research Assistant

Summer 2023

Worked with Frederick Boehmke on updates to the State Policy Innovation and Diffusion (SPID) database.

Research Assistant

Summer 2022

Worked with Brian Lai to update the online course catalog, including substantive revisions to the State and Local Politics course.
